Group List for Color Stationery

(Please make a copy of the Group List for each teacher/classroom)

Teacher/Class _____ Grade _____

- Please complete one Group List for each teacher/classroom, or, if you prefer, for simply each grade and we'll use your list as our packing guide!
- Each line below is for a separate Picture Form. If a child submits two Picture Forms, please list that child's name twice. Open the Picture Form, laying it flat with the artist signature facing up and organize the cards in the same order as they appear on your list. Please do not wrap them or place them in "baggies"; they will travel fine in a stack!
- Please save copies of your Group Lists. They'll come in handy when you distribute your orders. Do not send the parent order forms to us: you may need them for reference.
