Group List

(Please make a copy of the Group List for each grade/teacher/classroom)

Teacher/Class _____ Grade _____

- Please complete one Group List for each teacher/classroom, or, if you prefer, for simply each grade and we'll use your list as our packing guide!
- Each line below is for a separate Picture Form. Open the Picture Form, laying it flat with the artist signature facing up and organize the cards in the same order as they appear on your list.
- Please save copies of your Group Lists. They'll come in handy when you distribute your orders. Do not send the parent order forms to us: you may need them for reference.

Child's Name	Notes*	Shadowbox	Note Card Sets	Notepad	Gift Tags	Stickers with Address Lines	Picture Stickers

* When a child has two or more Picture Forms and each picture generates different products, please describe each picture
